Dear Dr. Al-Hallak,

Re: Revised Invitation to Provide Comment on Inspection of Albany Cosmetic and Laser Clinic, Westwood Pharmacy (ACP License #3056) and Health Aid Pharmacy (ACP License #3263)

This letter replaces the letter I addressed to you on May 29, 2019, originally inviting you to provide comment on the inspection report submitted by inspector/field officer Monty Stanowich. Please note that I erred in that letter, by inviting your response prior to September 6, 2019. I indicated in that letter, my intention to determine disposition of the report within the next two weeks. It was my desire to determine disposition on or before June 14, 2019; and in doing so, intended to request your response prior to June 6, 2019.

Through this correspondence, I am rescinding that original invitation, and am replacing it with the following invitation. It remains my desire to address the disposition of this report in a timely manner. I understand that you have received a copy of the report. Should you have any comments that you would like me to consider during my review, please forward them to me in writing prior to June 28, 2019.

Yours truly,

Greg Eberhart BSc. Pharm
