

## **Official Request**

---

Edmonton, Ab

**Dear Mr. Eberhart, The ACP Registrar**

Please accept this letter as an official request asking the ACP to put more effort to acknowledge the pharmacists' role in the cosmetic medicine and to regulate this special practice within the SPPPT. Moreover, I wish to ask the ACP registrar to commence communicating with CPSA, CARNA and Alberta Health to organize and standardize the medical spa industry.

Sincerely

Sincerely

Kamal Alhallak
